**TOT AL**

Tally up the activities you do to help.

**TOTAL**

Water  |  Energy  |  Waste  |  Food  |  Nature  |  Action  |
**GOING GREEN**

**ENERGY**
- Turn off the lights when you leave a room.
- Turn off electrical items at the wall.
- Avoid using a heater; wear a jumper when it is cold.
- Use air conditioners sparingly; open windows instead.
- Keep the fridge door closed (know what you want before you open it).
- Learn how solar panels work - could you have them at home?

**TRAVEL SMARTER**
- Walk and use public transport when you can.
- Car pool. Join together with your friends to go places.

**WATER**
- Turn off the tap while brushing your teeth.
- Take quick showers (3 minutes max).
- Use the half flush on the toilet when possible.
- Turn off taps so they don’t drip.
- Use a reusable water bottle, not a throw-away one.
- Encourage people to have a water tank at home.

**FOOD AND SHOPPING**
- Take your own bags shopping.
- Think carefully before you buy, do I really need this?
- Purchase refillable products.
- Use rechargeable batteries.
- Compost food scraps at home.
- Buy products that are locally made.
- Eat fruit and veggies that are in season.
- Think about the packaging.
- Eat more natural foods and less processed.
- Try growing your own food, start a veggie patch.

---

**ECO MONITOR**

We’ve compiled a list of ideas just to get you going.

Try out these eco activities - share them with your family and friends.

Rate your progress and be honest so you know what you can work on.

NATURE

| Pay attention to the environment around you. |             |       |
| Find out about environmental issues.       |             |       |
| Research what species are endangered in your area. |             |       |
| Visit the museum and learn about our planet. |             |       |
| Go bush walking with your family.          |             |       |

BE A SUPER CITIZEN

| Talk about the things you are doing with your family and friends. |             |
| Be involved in environmental activities in your area. (tree planting, rubbish collection, animal care). |             |
| Chat with your friends about projects ideas.                      |             |
| Find out who your politicians are and tell them what you think.   |             |
| Write articles for your school newsletter and local paper.       |             |
| Find out what kids are doing around the world.                    |             |
| Learn about neighbouring countries.                               |             |
| Know what is going on in the world by watching the news with your parents. |             |

Stuck for bigger project ideas?
Check out the tips on www.greenlanediary.org.
Try them with your friends, at your school, at home.

THE IMPORTANT THING IS TO HAVE A GO!
FEEDBACK FROM THE TEACHER:
Tell us the inside story; your comments help us to improve this program.

FEEDBACK FROM PARENTS:

1. What did you like most about the Green Lane Diary?

2. Are you going to keep living green?

3. How can we make the diary even better?
